Foreword:

These rules and regulations are issued under the authority of Section 35(a) in Article 2 of Chapter II of Title 34 of the Code of Alabama 1975. They cover specific requirements and procedures necessary for proper administration of the Alabama Law regulating the practice of engineering and land surveying. They supersede all previous administrative rules and regulations.

330-X-1-.01 Purpose. The Alabama Board of
Registration for Professional Engineers and Land
Surveyors was created to ensure that the public is
protected against dangers arising from attempts of
incompetent or unscrupulous persons to practice the
professions of engineering or land surveying and to
respect the right to his/her means of livelihood of
the individual who has conscientiously prepared
himself/herself to practice said professions. This
purpose is achieved through the establishment of
minimum qualifications for entry into the
professions of engineering or land surveying, through
the adoption of rules defining and delineating
unlawful conduct, and through swift and effective
discipline for those practitioners who violate the
applicable laws or rules promulgated thereunder.

Effective date: September 10, 1982

330-X-1-.02 Composition and Selection of Board.
The Board is composed of five members, four
professional engineers and one professional engineer
who is also a registered land surveyor who meet the
qualifications set out in Section 34-ll-31, Code of
Alabama, 1975. Members serve staggered five-year
terms and continue to serve upon the expiration of
five years until re-appointed or until a new member
is appointed and qualified. When a vacancy occurs

for whatever reason, three qualified persons are
nominated by a committee consisting of one
professional engineer appointed or elected by an
active Alabama Chapter of each of the following
societies: American Society of Civil Engineers,
American Institute of Mining, Metallurgical and
Petroleum Engineers, American Institute of
Chemical Engineers, Institute of Electrical and
Electronics Engineers, American Society of
Mechanical Engineers, Alabama Society of
Professional Engineers and the Alabama Society of
Professional Land Surveyors. The Governor appoints
one person from among the three nominees to fill
the vacancy.

Effective date: September 10, 1982
(Auth: Section 34-ll-30; Section 34-ll-35, Code
of Alabama, 1975)

330-X-1-.03 General Description of Organization
and Operation. The Board is an independent agency
of the State of Alabama. All costs of operating the
Board, including administrative, secretarial, clerical
and investigative, are paid from legislative
appropriation of fees collected by the Board. The
Attorney General and his assistants provide legal
services to the Board.

Effective date: September 10, 1982
(Auth: Section 34-11-15; Section 34-ll-36;
Section 34-11-35, Code of Alabama, 1975)

330-X-1-.04 Officers.

(1) Election. The Board shall elect annually the
following officers: Chairman, Vice-Chairman and
Secretary.

(2) Compensation and Expenses. Board Members
shall be compensated on a per diem basis for days
actually spent in performance of their duties and
additionally, members of the Board shall be
reimbursed for all actual expenses incurred in
performance of their duties as provided by Section
34-ll-32 and Section 36-7-20 of the Code of
Alabama, 1975.

Effective Date: September 10, 1982
(Auth: Section 34-11-32; Section 36-7-20;
Section 34-ll-35, Code of Alabama, 1975)

330-X-1-.05 Employment of Personnel. The
Board may employ investigators, attorneys and any
other agents and employees and assistants as may
from time to time be necessary to bring about and
maintain a rigid administration and enforcement of
the Alabama Law regulating the practice of
engineering and land surveying and these rules.
Effective date: September 10, 1982
(Auth: Section 34-ll-11; Section 34-ll-15; Section 34-ll-36; Section 34-ll-35, Code of Alabama, 1975)

330-X-1-.06 Executive Secretary. The Board shall employ an Executive Secretary who shall be responsible for the administration of Board policy. The Executive Secretary is designated as agent for the Board for service of legal process upon the Board. All correspondence to the Board, including requests for information and all submissions and other requests should be made to the Executive Secretary at the Board's headquarters as follows:

Executive Secretary
Alabama State Board of Registration for Professional Engineers and Land Surveyors
750 Washington Avenue, Suite 212
Montgomery, Alabama 36130

Effective date: September 10, 1982
(Auth: Section 34-ll-36; Section 34-ll-35, Code of Alabama, 1975)

330-X-1-.07 Rules of Order. All proceedings of the Board shall be governed by Roberts Rules of Order, latest revised edition, except during disciplinary hearings and except where otherwise provided in these rules.

Effective date: September 10, 1982

330-X-1-.08 Quorum. Three members of the Board shall constitute a quorum.

Effective date: September 10, 1982
(Auth: Section 34-ll-34, Section 34-ll-35 Code of Alabama)

330-X-1-.09 Meetings.

(1) Meetings may be called by the Chairman or by a quorum of the Board.

(2) Each member of the Board shall be given at least seven days notice of the time, place, and purpose of any regular or special meeting by the Chairman or the Executive Secretary, unless such notice is waived by the individual member or unless such member is present at the called meeting.

(3) The Board shall hold at least two regular meetings each year and these meetings shall be held in Montgomery, Alabama. Special meetings may be called as necessary and may be held at any place agreed upon by three members of the Board.

330-X-1-.10 Questions of Procedure and Evidence. The Chairman of the Board shall, in accordance with these rules, and except as otherwise provided in these rules, rule upon all questions of procedure and, in the event that evidence is taken, on the admissibility of that evidence. The decision of the Chairman shall be final.

Effective date: September 10, 1982

330-X-1-.11 Voting. All members of the Board, including the Chairman, are entitled to vote and to make or second motions. A majority of those members of the Board present and voting on any matter shall decide that matter before the Board, except on procedural and evidentiary matters which are provided for in Rule 330-X-1-.10. The Chairman shall vote as a member of the Board.

Effective date: September 10, 1982

330-X-1-.12 Use of Forms. All applications and requests for which the Board has prescribed a form must be made on the prescribed form. A description of all forms and instructions used by the Board are found in Appendix A of this code and are a part of this rule. Copies of instructions and forms are available from the Executive Secretary.

Effective date: September 9, 1983

330-X-1-.13 Records.

(1) "Public Record" for the purpose of these rules means all Board records which are reasonably necessary to record the business and activities required to be done or carried on by the Board so that the status and condition of such business and activities can be known by the public. Records which do not constitute "public records" include, but are not limited to, those received by a public officer in confidence, sensitive personnel records, registrant's records, complaints against registrants, and records the disclosure of which would be detrimental to the best interests of the public.

(2) Specific public records are available for inspection at Board headquarters during regular business hours.
(3) Any person wishing to obtain copies of specific public records may request same from the Executive Secretary, and will be supplied copies upon payment of the cost of copying, handling and postage, which costs will be estimated and set from time to time by resolution by the Board.

Effective date: September 10, 1982
(Auth: Section 41-22-4 (l) (c); Section 34-ll-37; Section 34-ll-35, Code of Alabama, 1975)

330-X-1-.14 Roster. The Board shall during the month of March of each even-numbered year compile and publish a directory listing all registered professional engineers and land surveyors who have renewed their certificates of registration and all engineers-in-training who possess current certifications as engineers-in-training. Copies of the directory shall be mailed to each person so registered or certified and shall be distributed or sold to the public upon request and upon payment of a fee to be set from time to time by resolution by the Board.

Effective date: September 10, 1982
(Auth: Section 34-lI-3; Section 34-lI-35, Code of Alabama, 1975)

330-X-1-.15 Declaratory Rulings.

(1) The Board may issue declaratory rulings to any person substantially affected by a rule with respect to the validity of the rule, or with respect to the applicability to any person, property, or state of facts of any rule or statute enforceable by the Board, or with respect to the meaning and scope of any order of the Board. Such rulings shall be issued provided

(a) The petitioner shows that he/she is substantially affected by the rule in question,

(b) Sufficient facts are supplied in the request to permit the Board to make a valid determination, and

(c) The request arises from an actual question or controversy.

(2) A petition for a declaratory ruling shall be submitted in the following form:

Petition for Declaratory Ruling.

On Rule No. _______________________________________

1. Petitioner
   Name: ___________________________________________
   Address: _______________________________________
   Telephone: _______________________________________

2. All rules or statutes that may be involved in the petition, if known:

____________________________________________________________________

3. Clear and concise statement of the precise factual situation involved:

____________________________________________________________________

4. The exact question to which an answer is desired: _______________________________________

5. The reason for submitting the petition:

____________________________________________________________________

6. Full disclosure of the petitioner's interest:

____________________________________________________________________

7. Statement as to whether the petitioner's case is presently under consideration by the Board of Registration for Professional Engineers and Land Surveyors or in any pending proceeding:

____________________________________________________________________

8. Affidavit Certification
   Signature of Petitioner

(3) Such rulings will be made in accordance with the Alabama Administrative Procedures Act, Section 41-22-11, Code of Alabama, 1975.

Effective date: September 9, 1983
(Auth: Section 41-22-11; Section 34-ll-35, Code of Alabama, 1975)

CHAPTER 330-X-2
DEFINITIONS

330-X-2-.01 Definitions of Terms

330-X-2-.01 Definitions of Terms.

(1) Section 34-11-1, Code of Alabama, 1975
provides for definitions of the following terms: (1) Board, (2) Engineer or Professional Engineer, (3) Engineer-in-Training, (4) Practice of Engineering, (5) Land Surveyor, (6) Land Surveying, (7) Practice and offer to Practice, and (8) Responsible Charge.

(2) The terms used in Section 34-11-7 and Section 34-11-9, Code of Alabama, 1975 "under his direction"... "under the direction" and the terms used in Rule XII of these Rules and Regulations, "under his direct supervision" and "under his responsible supervising control" will be construed by this Board to mean that the engineer or land surveyor providing such supervision shall have made the decision on technical matters of policy and design and shall have exercised his professional judgment in all engineering and land surveying matters that are embodied in the design and the plans, specifications, or other documents involved in the work. By applying his seal or signature to the final documents he signifies that he has complied with the requirements of these definitions and the Rules of Professional Conduct (Code of Ethics) and accepts responsibility therefor.

Effective date: September 10, 1982
(Auth: Section 34-11-1; Section 34-11-7; Section 34-11-9; Section 34-11-35, Code of Alabama, 1975)

CHAPTER 330-X-3
APPLICATIONS

330-X-3-.01 Grouping of Applications
330-X-3-.02 Form of Application
330-X-3-.03 Applications from Non-Residents
330-X-3-.04 Reconsiderations and Reaplications
330-X-3-.05 Disposal of Applications

330-X-3-.01 Grouping of Applications. In order to assure that each applicant's qualifications will be evaluated in accordance with that section of the law which will afford an applicant the most favorable and/or the most appropriate consideration, the Board, after its initial review of the qualifications presented by the applicant and substantiated with verifications obtained by the Board in any of the several methods open to the Board for substantiating qualifications, will classify applications in one of the three groupings listed herein. The Executive Secretary will make a tentative grouping of each application as soon as it is received in proper form for the purpose of processing it for presentation.

(a) The Groupings are as follows:
1. Group 1 - Professional Engineers' Applications
2. Group 2 - Land Surveyors' Applications
3. Group 3 - Engineers' in Training Applications

Effective date: September 10, 1982

330-X-3-.02 Form of Application.

(1) All applications for registration shall be made on printed form provided by the Board and no applications made otherwise will be accepted. Where space does not permit an applicant to present his record of experience or practice on the form provided by the Board, the applicant may provide supplementary sheets of paper 8½ X 11 inches in size. Such additional sheets shall be typed on one side only, shall be signed and dated. Applications must be clearly typewritten in black suitable for photostatic copy and all questions must be answered. An application not properly made out, or not containing all of the information provided for, or not accompanied by the required fee will be returned with a statement of the reason for return. The application shall be accompanied by an unmounted recognizable, recent photograph (one not more than six (6) months old) of the applicant, with date taken, or photo-engraving of same (size 2 by 2½ inches overall with face not less than 3/4 inches wide). NOTE: The applicant applying on the basis of examination shall be required to furnish two (2) photographs.

(2) Applications for registration as a Professional Engineer or as a Land Surveyor or for certification as Engineer-in-Training shall be subscribed and sworn to, on a form provided by the Board, before a Notary Public or other persons qualified to administer oaths.

(3) The conditions set out in the Application Form, including the Rules of Professional Conduct (Code of Ethics) set forth in Attachment A enclosed with application form, shall be construed to be a part of the Rules and Regulations.

(4) To allow time for processing, all applications for examination and enrollment as Engineer-in Training shall be filed with the Board at least forty-five (45) days before the date set for examination. To allow time for processing, all applications for examination and registration as Professional Engineer or Land Surveyor shall be filed with the Board at least ninety (90) days before the date set for examination.

(5) Withholding information, misrepresentation, or untrue statements will be cause for denial of application.
(6) Registration as Professional Engineer by reciprocity is granted provided the applicant's qualifications meet the requirements of Chapter 11, Title 34, Code of Alabama, 1975, and he has passed a two day, 16 hour written examination given by another State Board and he is currently registered and in good standing with another State Board.

(7) Further, Professional Engineers registered after June 5, 1981, who were allowed to take and pass their Principles and Practice of Engineering Examination (PE) in another State prior to completion of the applicable engineering experience as required by the Registration Law of that State, will not be considered for registration in Alabama by reciprocity. Such applicant for registration as Professional Engineer in the State of Alabama will be required to take and pass the Principles and Practice of Engineering Examination (PE) again after meeting appropriate Alabama experience requirements.

(8) If a properly executed NCEE Form as prepared by the Committee on National Certification of Registration Records is provided with certified copies verifying applicant's educational qualifications, experience record, responses from references and registration in other State or States where he passed the sixteen hour examination, the applicant will be required to complete only those Sections of the application form dealing with General Information, Registration in other States and the Affidavit.

(9) The Board requires a transcript showing subjects and grades of all scholastic work which the applicant wishes to claim. This transcript should also show degree issued, and date of issuance. It is the responsibility of the applicant to see that such a record is sent direct from the institution to the Board Office and no action will be taken by the Board until such information is received.

Effective date: September 10, 1982
(Auth: Section 34-ll-5; Section 34-ll-35, Code of Alabama, 1975)

330-X-3-.03 Applications from Non-Residents.

(1) In general, applicants not residents of Alabama will be expected to secure registration or certification in their home State or State of residence and may not apply for initial certification and/or registration in Alabama.

(2) Non-Alabama residents who are graduates of accredited engineering curricula from Alabama colleges or universities may apply for an original registration in this State.

(3) The definition of a "Resident of Alabama" shall be interpreted by the Board to include an employee of Alabama based employer who may be living beyond the geographical boundaries of the State as a condition of employment at the time such an employee files.

(4) The Executive Secretary is authorized by the Board to return an application to an applicant who is applying for initial certification and/or registration if he is not a "Resident of Alabama."

Effective date: September 10, 1982

330-X-3-.04 Reconsideration and Reapplications.

(1) At any time within one year after date of notice of action by the Board a request may be made for reconsideration of an application which has been denied. After one year has expired a new application is required and must be made under a Section of Chapter 11, Title 34, Code of Alabama, 1975 available on the date this new application is filed.

(2) A denied applicant may request reconsideration under the Section in which he applied at any time within one year, and additional or explanatory evidence bearing on the record as filed, and of the date originally filed, must be furnished to the Board.

Effective date: September 10, 1982

330-X-3-.05 Disposal of Applications.

(1) Approved Applications - When the Board, after due consideration of an application and of information pertaining thereto, is satisfied that the applicant is eligible for certification as an Engineer-in-Training, or registration as Professional Engineer and/or Land Surveyor, under any Section of the Law, the applicant will be granted certification or registration, and the applicant will be notified by the Executive Secretary.

(2) Deferred Applications - If an applicant's experience is considered inadequate upon Board review, but the Board believes he may meet the minimum legal requirements within one year, such application may be held by the Board for up to one year without approval or denial. Such applicant will be advised of the basis for holding his application, of
additional information to be submitted, and of the approximate date on which his application will be formally considered again. If more than one additional year of experience is considered necessary, the application will be denied, and for further consideration, the applicant will be required to submit a new application after he has accrued the necessary experience.

(3) Denied Applications - When the Board, after due consideration of an application and of information pertaining thereto finds that the applicant is not eligible for certification or registration under any section of the Law, the applicant will be denied certification or registration and his application will be closed. The applicant will be notified of the action of the Board by the Executive Secretary. The applicant, after being notified that his application has been closed on the basis of denial, shall have a period of one year following the date of such closing during which he may appeal to the Board for a reconsideration of his qualifications.

(4) In accordance with the Records and Retention Schedule prepared for the Alabama State Board of Registration for Professional Engineers and Land Surveyors, applications of the following will be maintained on file in the Board Office for the period shown and thereafter may be destroyed:

(a) Exam Inactive File - 5 years
(b) Deceased - 3 years after death
(c) Expired (did not renew registration) - 3 years after expiration
(d) Denied - 5 years
(e) Inactive - 1 year

(5) Any application that involved disciplinary action or violations will be retained in the file.

Effective date: September 10, 1982

CHAPTER 330-X-4
FEES

330-X-4-.01 Method of Payment. Fees shall be payable to the State Board of Registration for Professional Engineers and Land Surveyors, 750 Washington Avenue, Montgomery, Alabama 36130. Payment of fees should be made by checks (personal, company or cashier's). No cash will be accepted as payment of fees. Applications not accompanied by the proper fee will be returned to the applicant.

Effective date: September 10, 1982

330-X-4-.02 Application, Certification and Registration Fees.

(1) PROFESSIONAL ENGINEER - As provided by Section 34-ll-5, Code of Alabama, 1975.

(2) PROFESSIONAL ENGINEER BY RECIPROCITY - Same as (1).

(3) LAND SURVEYOR - As provided by Section 34-ll-5, Code of Alabama, 1975.

(4) ENGINEER-IN-TRAINING - As provided by Section 34-ll-5, Code of Alabama, 1975.

Effective date: September 10, 1982
(Auth: Section 34-ll-5; Section 34-ll-35, Code of Alabama, 1975)

330-X-4-.03 Examination Fees.

(1) The examination fee as provided by Section 34-ll-6 shall be set from time to time by the Board by resolution.

(2) The examination fee for a registrant wishing to take the examination for record purposes shall be set from time to time by the Board by resolution.

(3) The fee for regrading of an examination will be the same fee as that charged by the National Council of Engineering Examiners.

Effective date: September 10, 1982
(Auth: Section 34-ll-6; Section 34-ll-35, Code of Alabama, 1975)

330-X-4-.04 Fees Not Refundable. No fee, or part of any fee, paid by any applicant for application, examination and/or registration will be returned to the applicant, either in the event of his failure to take the examination, or in the event of his failure to pass the required examination, if and when given.

Effective date: September 10, 1982
330-X-4-.05 Renewal Fee. The renewal fees shall be set from time to time by the Board by resolution, as provided by Section 34-ll-8 (a) and (b), Code of Alabama, 1975.
  Effective date: September 10, 1982
  (Auth: Section 34-ll-8; Section 34-ll-35, Code of Alabama, 1975)

330-X-4-.06 Roster. The fee for a copy of the biennial Roster shall be $5.00 except for persons registered or certified with the Board, governmental agencies, libraries, or professional societies.
  Effective date: September 10, 1982
  (Auth: Section 34-ll-3; Section 34-ll-35, Code of Alabama, 1975)

330-X-4-.07 Certificate. Duplicate certificate shall be issued as provided by Section 34-ll-12, Code of Alabama, 1975.
  Effective date: September 10, 1982
  (Auth: Section 34-ll-12; Section 34-ll-35, Code of Alabama, 1975)

CHAPTER 330-X-5
CURRICULA APPROVED BY THE BOARD

330-X-5-.01 Curricula Approved by the Board

330-X-5-.01 Curricula Approved by the Board. The term "graduate of an approved engineering curriculum of four years or more" as used in Section 34-ll-4(l) and (2), Code of Alabama, 1975 shall mean:

(a) A Bachelor's degree in Engineering approved by the Accreditation Board for Engineering and Technology (formerly Engineers' Council for Professional Development) at the time of graduation or within a four (4) year period of graduation.

(b) A Bachelor's degree in one of the mathematical, physical or engineering sciences and in addition thereto, successful completion of graduate study in an engineering curriculum in a school or college in which the undergraduate or graduate curriculum was approved by the Accreditation Board for Engineering and Technology (formerly Engineers' Council for Professional Development) at the time of graduation or within a four (4) year period of graduation.
  Effective date: September 10, 1982

CHAPTER 330-X-6
EXPERIENCE

330-X-6-.01 Graduation and Experience Plus Examination
330-X-6-.02 Experience Plus Examination
330-X-6-.03 Additional Experience Required
330-X-6-.04 Non-qualifying Experience

330-X-6-.01 Graduation and Experience Plus Examination. In evaluating experience offered as qualifying experience under Section 34-ll-4 (l)(a) and (3)(a), Code of Alabama, 1975, the Board will take into consideration the following:

(a) Experience must be progressive and of an increasing standard of quality and responsibility, and usually follows graduation.

(b) Experience must not have been obtained in violation of the Registration Law.

(c) Military Experience, to be creditable, must have been spent in Engineering and/or Land Surveying and of a character equivalent to that required in the civilian sector in like work.

(d) Experience must be gained by working under the supervision of a registered Professional Engineer and/or Land Surveyor, as the case may be, or an explanation satisfactory to the Board must be given as to why the experience was not so received.

(e) Short periods of Engineering employment less than three months will not be considered creditable.

(f) Concurrent time, that is time spent in engineering or land surveying work, while attending school will be credited either as education experience or work experience but not as both. A combined certificate for Engineer and Land Surveyor registration will require a minimum of six years experience of which at least two years must be land surveying and of which four years must be engineering.

(g) For sales experience to be creditable, it must be demonstrated conclusively that Engineering principles and Engineering knowledge were actually employed. The mere selection of data or equipment from a company catalogue or a similar publication will not be considered Engineering experience.
(h) Successful completion of graduate study in an Engineering Curriculum accredited by ABET (formerly ECPD), may be offered as one year of Engineering experience.

(i) For teaching experience to be creditable, the Engineer applicant must have taught in an Engineering Curriculum accredited by ABET (formerly ECPD), and been employed in the grade of assistant professor or higher.

(j) Experience must not be anticipated, that is, the application must not be postdated. The experience must have actually been received at the time the application is submitted.

Effective date: September 10, 1982
(Auth: Section 34-11-4; Section 34-11-35, Code of Alabama, 1975)

330-X-6-.02 Experience Plus Examination. In evaluating experience offered as qualifying experience under Section 34-11-4 (l)(b), (2)(b) and (3)(b), Code of Alabama, 1975, the Board will take into consideration the following:

(a) Satisfactory completion of each year of a regular four year Engineering Curriculum accredited by ABET (formerly ECPD), shall be considered as equivalent to a year of engineering experience.

(b) Graduation in a curriculum other than engineering from a college or university of recognized standing, or graduation in an unapproved engineering curriculum, or graduation in an Engineering Technology Curriculum of four years or more, may be considered as equivalent to two years of engineering experience.

(c) Experience must be progressive and of increasing responsibility received while working under a registered Professional Engineer and/or Land Surveyor, as the case may be, or an explanation satisfactory to the Board must be given as to why the experience was not so received.

(d) Applicants under this Section without a degree must present evidence that they have become self-educated in the Engineering and/or Land Surveying field.

Effective date: September 10, 1982
(Auth: Section 34-11-4; Section 34-11-35, Code of Alabama, 1975)

330-X-6-.03 Additional Experience Required. If an applicant's experience is considered inadequate upon Board review, but the Board believes he may meet the minimum, legal requirements within one year, such application may be held by the Board for up to one year without approval or denial. Such applicant will be advised of the basis for holding his application, of additional information to be submitted, and of the approximate date on which his application will be formally considered again. If more than one additional year of experience is considered necessary, the application will be denied, and for further consideration the applicant will be required to submit a new application after he has accrued the necessary experience.

Effective date: September 10, 1982

330-X-6-.04 Non-qualifying Experience. The Board will not accept the mere execution as a contractor of work designed by a professional engineer, or the supervision of the construction of such work as a foreman or superintendent as qualifying engineering experience.

330-X-7-.01 Statement of Policy.

(1) The applicant should give serious attention to the selection of his references.

(2) The Engineers or Land Surveyors under whose direct supervision the applicant has worked should be given as references.

(3) Any Board Member may on his own initiative, or the Board may request a Board Member, a staff employee or others to make an independent investigation of the applicant's qualifications and report his findings.

(4) Additional references may be required by the Board.

(5) It is the responsibility of the applicant to assure the timely return of all reference letters, educational transcripts and verifications of registrations in other States. Board action will not
be taken until all necessary information has been received. This information must be on file in the Board Office ten (10) days prior to the date of the next scheduled Board Meeting.

Effective date: September 10, 1982

330-X-7-.02 References.  

(1) The applicant shall furnish on his application for registration the names, addresses and States in which registered of at least five (5) references.

(2) If applying for Engineer Registration, at least three (3) of the five references must be currently registered Professional Engineers; however, it is desirable that all the references be registered Professional Engineers who are qualified to evaluate the applicant’s engineering training and experience.

(3) If applying for Land Surveyor Registration, at least three (3) of the five (5) references must be currently registered Professional Engineers also registered as Land Surveyors or registered Land Surveyors, who are qualified to evaluate the applicant’s land surveying training and experience.

(4) All references should know the applicant personally.

(5) Accurate statements of fact from responsible references covering the applicant’s experience are necessary.

(6) References dated more than one year prior to Board review are not acceptable.

(7) The Board occasionally finds it necessary to correspond directly with a reference to seek clarification or amplification of the reference’s original statements, which may have been unfavorable, questionable or simply inadequate to substantiate experience claimed by the applicant. If the reference fails or declines to furnish the necessary information within a reasonable time, all information submitted by that reference may be disregarded in consideration of the application involved.

330-X-8-.10 Examination for Record Purposes

330-X-8-.01 Classifications of Examinations. Written examinations as required by the Alabama Law will be classified as follows:

(a) Examination in the Fundamental Engineering Subjects –EIT Exam – Exam I, 1 day, 8 hour NCEE Exam

(b) Examination in the Principles and Practice of Engineering – PE Exam – Exam II, 1 day, 8 hour NCEE Exam

(c) Examination in the Fundamentals of Land Surveying – LSF Exam – Exam I, 1 day, 8 hour NCEE Exam

(d) Examination in the Principles and Practice of Land Surveying – LSP Exam – Exam II, 4 hour NCEE Exam – AM

(e) Examination in Alabama Land Surveying History and Law – LSALA – Exam III, 4 hour Alabama Exam – PM

Effective date: September 10, 1982
(Auth: Section 34-11-6; Section 34-11-35, Code of Alabama, 1975)

330-X-8-.02 Eligibility for Examination.

(1) Engineer applicants will not be permitted to take Exam II until Exam I has been passed. Land Surveyor applicants will not be permitted to take Exam II and Exam III until Exam I has been passed.
(2) No candidate may take the eight (8) hour engineer examination in the Principles and Practice of Engineering nor the sixteen (16) hour examination in Land Surveying until the Board has established his eligibility for examination; except, however, a Land Surveyor applicant who is a graduate of a four (4) year ABET (formerly ECPD) approved surveying curriculum may take the Fundamentals of Land Surveying Examination prior to obtaining the requisite years of experience necessary for Land Surveyor Registration.

(3) Candidates for the 8 hour examination in the Fundamentals of Engineering (EIT) may be notified of the next scheduled examination without Board action provided the proper application has been filed and the correct fee paid. No EIT certificate will be issued nor action taken toward professional registration until the applicant has satisfied the legal requirements for certification or registration set out in Chapter II, Title 34, Code of Alabama, 1975.

Effective date: September 10, 1982

330-X-8-.03 Examination Dates and Locations. Written examinations are held in places designated by the Board and will be offered twice each year, once in the last six months and once in the 2nd six months of each calendar year.

Effective date: September 10, 1982
(Auth: Section 34-II-6; Section 34-II-35, Code of Alabama, 1975)

330-X-8-.04 Examinations in the English Language. All examinations will be in the English language.

Effective date: September 10, 1982

330-X-8-.05 Study Information. Questions used on prior examinations will not be distributed. Order forms are available, upon request, for ordering typical questions from the National Council of Engineering Examiners (NCEE). Information on Land Surveying in Alabama is made available to applicants approved by the Board for the Land Surveying Examination in Alabama History and Law.

Effective date: September 10, 1982

330-X-8-.06 Instructions for Examination. Instructions provided prior to each examination will furnish information regarding whether the examination is OPEN or CLOSED Book. On an OPEN BOOK EXAMINATION, textbooks, bound classroom manuals, slide rules and self powered, non-printing calculators or computers are permitted.

Effective date: September 10, 1982
(Auth: Section 34-II-6; Section 34-II-35, Code of Alabama, 1975)

330-X-8-.07 Examination Offerings. Applicants approved for examination, and otherwise deemed qualified, will be allowed to take four (4) consecutive offerings of that examination, without filing a new application unless required by Chapter II, Title 34, Code of Alabama, 1975 as follows:

(a) Applicants will be notified at least thirty (30) days in advance and should appear for the first scheduled examination without payment of any additional fee unless required by Chapter 11, Title 34, Code of Alabama, 1975.

(b) Should the applicant fail to take this first examination offered or fail to pass this examination, he may be notified of the next three scheduled examinations provided above, however, it will be necessary that the applicant file a request for re-examination. The examination fee as set by the Board from time to time by resolution shall be paid with each request. Should the applicant fail to take the examination or fail to pass the examination he has applied for, the fee paid is not refundable.

(c) In the event an applicant fails to take or pass the required examination after the above four (4) offerings, his application will be closed and the applicant will be so notified.

(d) For reconsideration an applicant must file a new application and pay the application fee as required by Law. It will be incumbent upon the applicant to indicate on the new application the extent of additional education and qualifying experience since application closing which will permit him to qualify for four (4) consecutive examination offerings as provided above.

(e) In the event the re-qualified applicant again fails to pass the required examination after four (4) additional offerings, his application will be closed and the applicant will be so notified.

(f) The procedure as outlined in (d) and (e) above would then be repeated before further consideration would be afforded the applicant.

Effective date: September 10, 1982
(Auth: Section 34-II-5; Section 34-II-6; Section 34-II-35, Code of Alabama, 1975)
330-X-8-.08 Examination Results. Examination results will be reviewed by the Board and no information will be given to any applicant who has taken the examination until after the scores have been approved by the Board. The passing score on each examination will be determined by the Board. Passing scores will not be reported; however, the candidate will be advised of his score if below the passing score.

Effective date: September 10, 1982

330-X-8-.09 Review of Failed Examination. An applicant who fails to make a passing score on a written examination may request a review of his examination paper within 30 days after notice of results of his examination has been mailed to him, at such time and place as may be designated by the Executive Secretary. After review of his examination paper, an applicant wishing to have his examination regraded will be required to follow procedure prescribed by NCEE and will be required to pay a fee for this service.

Effective date: September 10, 1982

330-X-8-.10 Examination for Record Purposes.

(1) Any Engineer registered by this Board may take for record purposes the Fundamentals Examination and the Principles and Practice Examination prepared by the National Council of Engineering Examiners upon payment of a fee as established by the Board.

(2) Any Land Surveyor registered by this Board may take for record purposes the Fundamentals of Land Surveying and the Principles and Practice of Land Surveying Examination prepared by the National Council of Engineering Examiners upon payment of a fee as established by the Board.

(3) Failure to pass either or both parts of the examination will in no way affect current registration.

Effective date: September 10, 1982

CHAPTER 330-X-9 CLASSIFICATIONS AND BRANCHES OF ENGINEERING

330-X-9-.01 Classification of Registration
330-X-9-.02 Branches of Engineering

330-X-9-.01 Classification of Registration. Applicants shall be registered or certified under one or more of the following titles:

(a) Professional Engineer
(b) Land Surveyor, or
(c) Engineer-in-Training

Effective date: September 10, 1982
(Auth: Section 34-II-1; Section 34-II-35, Code of Alabama, 1975)

330-X-9-.02 Branches of Engineering. Chapter II, Title 34, Code of Alabama, 1975 makes no specific designations as to the branches of Engineering practice for which Certificates of Registration as Professional Engineer shall be issued; however, the Rules of Professional Conduct, Rule 330-X-14-03, provides that a Professional Engineer shall act only in fields in which he is qualified by education or experience. For consideration under Section 34-II-4(1), the Board will recognize degrees received in Engineering courses accredited by the Accreditation Board for Engineering and Technology (formerly Engineers' Council for Professional Development) and will issue Certificates of Registration as a Professional Engineer to applicants who demonstrate their qualifications under the provisions of the Law and in conformity with the Rules and Regulations of the Board.

Effective date: September 10, 1982

CHAPTER 330-X-10 REGISTRATIONS

330-X-10-.01 Registration Number
330-X-10-.02 Certificates of Registration
330-X-10-.03 Reissuance of Certificates

330-X-10-.01 Registration Number. At the time an applicant is granted registration by the Board, he will be assigned a serial number. These numbers will be issued consecutively in the order in which the applications are approved by the Board. The applicant will be advised of this serial number in the notice sent to him by the Executive Secretary.

Effective date: September 10, 1982
(Auth: Section 34-II-7; Section 34-II-35, Code of Alabama, 1975)

330-X-10-.02 Certificates of Registration.

(1) As soon as possible after the Board has received from an applicant, who has been notified of
the approval of his application and of his serial number, payment of his registration fee, a Certificate of Registration will be issued, signed by the Chairman and the Secretary, bearing the seal of the Board, and also bearing on its face the serial number of the registrant.

(2) The application of any applicant who fails to complete his registration as provided for hereinabove within a period of thirty days after notice is mailed to him by the Board that he has been granted registration shall be denied registration upon action by the Board.

Effective date: September 10, 1982
(Auth: Section 34-ll-5; Section 34-ll-7; Section 34-ll-35, Code of Alabama, 1975)

330-X-10-.03 Reissuance of Certificates. A registrant requesting a new Certificate of Registration to replace a certificate under the provisions of Section 34-ll-12, Code of Alabama, 1975 shall surrender to the Board, if possible, the original certificate held by him and shall file with his request a sworn affidavit setting out the reasons for his request so that the Board records will reflect the reason for its issuance of a new certificate. Upon payment of fee as provided by Section 34-ll-12, Code of Alabama, 1975 and completed form, a new certificate will be prepared.

Effective date: September 10, 1982
(Auth: Section 34-ll-11; Section 34-ll-12; Section 34-ll-35, Code of Alabama, 1975)

CHAPTER 330-X-II
SEALS

330-X-11-.01 Seal of the Board
330-X-11-.02 Seal of the Registrant
330-X-ll-.03 Seal on Documents

330-X-11-.01 Seal of the Board. The seal of the Board shall be circular in form and 1 7/8 inches in diameter and shall be imprinted on all certificates issued by the Board.

Effective date: September 10, 1982

330-X-II-.02 Seal of the Registrant.

(1) Upon approval of his application by the Board, the registrant will be advised that he may secure an official seal which shall be applied to engineering drawings, specifications, reports and other engineering or land surveying documents prepared by him or under his responsible supervising control.

(2) The seals to be used by the registrants are to be circular in form and from 1 5/8 to 2 inches in diameter with copy of the design to be furnished each registrant upon registration.

(3) Seals obtained prior to the adoption of this rule and which are in conformance with prior Board rules are acceptable.

(4) Rubber stamps, identical in size, design and content with the approved seals may be used by the registrant at his option.

Effective date: September 10, 1982
(Auth: Section 34-ll-9; Section 34-ll-35, Code of Alabama, 1975)

330-X-II-.03 Seal on Documents.

(1) The seal and/or signature and registration number of a registrant on a document constitute a certification that the document was prepared by the registrant or under his direct supervision or that he has reviewed the document in sufficient depth to fully coordinate and assume responsibility for plans prepared by another registered Professional Engineer or Land Surveyor.

(2) Each sheet of plans, drawings, documents, specifications and reports for engineering practice and of maps, plats, charts and reports for land surveying practice, shall be signed and/or sealed and dated by the registrant or permit holder preparing them, or in direction and control of their preparation.

(3) Where more than one sheet is bound together in one volume, the registrant or permit holder who prepared said volume, or under whose direction and control said volume was prepared, may sign and/or seal and date only the title or index sheet providing that the signed sheet clearly identifies all of the other sheets comprising the bound volume, and provided that any of the other sheets which were prepared by, or under the direction and control of, another registrant or permit holder, be signed, and/or sealed and dated by said other registrant or permit holder.

(4) Additions, deletions or other revisions affecting public health and safety or State and local codes shall not be made unless signed and/or sealed and dated by the registrant or permit holder who made the revisions or under whose direction and control said revisions were made.

Effective date: September 10, 1982
CHAPTER 330-X-12
INTERIM PERMITS

330-X-12-.01 Requirements
330-X-12-.02 Issuance
330-X-12-.03 Land Surveyors not Eligible

330-X-12-.01 Requirements.

(1) This Board may grant an interim permit to practice as a Professional Engineer to persons who apply for such permit and who are legally qualified to so practice in another State, and who have never had a registration revoked or invalidated. The application procedure for an interim permit is identical to that prescribed for continuing registration as a Professional Engineer in this State. A person desiring an interim permit will file the prescribed application for registration and request in writing that he be issued an interim permit. This request will state the reason for requesting such permit and the specific work to which it applies.

(2) If the Executive Secretary of the Board finds the application and request to be in order, the request for interim permit will be referred to a Member of the Board by mail and upon his approval, the interim permit and number will be issued through the Office of the Board.

Effective date: September 10, 1982
(Auth: Section 34-II-4; Section 34-II-35, Code of Alabama, 1975)

330-X-12-.02 Issuance.

(1) An interim permit will be effective until the next regular meeting of the Board after the interim permit has been granted at which time the applicant will be considered for registration. If, in the opinion of the Board, the qualifications of the applicant are in doubt, the interim permit is immediately terminated.

(2) While practicing under an interim permit in this State, the holder thereof will affix to all plans and documents for use and execution in this State, the seal or stamp required in the State in which he took the 16 hour written examination with the added notation: "Practicing in the State of Alabama under Interim Permit No. "

Effective date: September 10, 1982

330-X-12-.03 Land Surveyors not eligible. This Board is not empowered to grant a permit for the interim practice of land surveying in Alabama. No person may legally practice land surveying in this State without first being fully registered as a Registered Land Surveyor by this Board.

Effective date: September 10, 1982

CHAPTER 330-X-13
EXPIRATIONS AND RENEWALS

330-X-13-.01 Renewals
330-X-13-.02 Expirations

Stipulations with reference to expirations and renewal of Certificates of Registration and Certificates of enrollment for Engineers-in-Training are set out in Section 34-11-8, Code of Alabama, 1975.

330-X-13-.01 Renewals.

(1) Registrants and certified Engineers-in-Training will be mailed annually, during the month of October, a renewal notice which they will be required to sign and return to the Board office with their renewal fee. The registration renewal notice will contain the five Canons of the Rules of Professional Conduct (Code of Ethics), Rule 330-X-14, and the registrant is required to read and reaffirm his agreement to abide by the Rules of Professional Conduct.

(2) The Annual Renewal Fee is set each year and it may vary from year to year. Therefore, no advance renewal fees will be accepted.

Effective date: September 10, 1982
(Auth: Section 34-II-8; Section 34-II-35, Code of Alabama, 1975)

330-X-13-.02 Expirations.

(1) The right to practice as an Engineer and/or Land Surveyor expires December 31 unless renewed. The right to renew expires June 30. To be re-registered, a registrant who does not renew before June 30, will be required to file a new application and meet the statutory requirements in existence at time of re-registration.

(2) An Engineer-in-Training who does not renew his certification within the period provided by Law will not invalidate his status as an Engineer-in-Training, but his name shall, after ninety (90) days, be removed from the Board's current mailing list
and omitted from the Roster. The fee to bring an enrollment current after a renewal expiration shall be twice that established for annual renewal. An Engineer-in-Training certificate will be valid for a period of ten years.

Effective date: September 10, 1982
(Auth: Section 34-11-8; Section 34-11-35, Code of Alabama, 1975)

CHAPTER 330-X-14
PROFESSIONAL CONDUCT (CODE OF ETHICS)

330-X-14-.01 Preamble
330-X-14-.02 Conflict of Interest (Canon I)
330-X-14-.03 Qualified by Education and Experience (Canon II)
330-X-14-.04 Confidences of Clients and Employers (Canon III)
330-X-14-.05 Practice (Canon IV)
330-X-14-.06 Ethics (Canon V)
330-X-14-.07 Convictions

330-X-14-.01 Preamble.

(1) In order to safeguard the life, health, property and welfare of the public and to establish and maintain a high standard of integrity, skills and practice in the Professions of Engineering and Land Surveying, the following Rules of Professional Conduct (Code of Ethics) are promulgated in accordance with Section 34-11-35, Code of Alabama, 1975 and shall be binding upon every person holding a certificate of Registration as a Professional Engineer or Land Surveyor.

(2) All persons registered under the provisions of Chapter II, Title 34, Code of Alabama 1975 and prior Code, are charged with having knowledge of the existence of the Rules of Professional Conduct (Code of Ethics), and shall be deemed to be familiar with their several provisions and to understand them. Such knowledge shall encompass the understanding that the practice of engineering or land surveying is a privilege, as opposed to a right, and the registrant shall be forthright and candid in his statements or written response to the Board or its representatives on matters pertaining to professional conduct.

Effective date: September 10, 1982

330-X-14-.02 Conflict of Interest (Canon I) The Engineer and/or Land Surveyor shall exercise independent professional judgments, decisions and practices on behalf of clients and employers as follows:

(a) The Engineer and/or Land Surveyor shall avoid all conflicts of interest with his client or employer, but when a conflict of interest is unavoidable, the Engineer and/or Land Surveyor shall promptly inform his employer or client of any business association, interest, or circumstances which might tend to influence his professional judgments, decisions or practices or the quality of his services.

(b) The Engineer and/or Land Surveyor shall not solicit or accept directly or indirectly, any financial or other valuable considerations, material favors or benefits of any substantial nature, including but not limited to any act, article, money or other material possessions which is of such value or proportion that its acceptance creates a clandestine obligation on the part of the receiver or otherwise compromises his ability to exercise his own judgment, without regard to such benefit, from any supplier of materials or equipment for any project on which he is performing or has contracted to perform Engineering and/or Land Surveying services.

(c) The Engineer and/or Land Surveyor shall not solicit or accept any gratuity, material favor or benefits of any substantial nature, including but not limited to any act, article, money or other material possessions which is of such value or proportion that its acceptance creates a clandestine obligation on the part of the receiver or otherwise compromises his ability to exercise his own judgment, without regard to such benefit, directly or indirectly, from contractors, their agents, servants or employees or from any other party dealing with his client or employer in connection with any project on which he is performing or has contracted to perform Engineering and/or Land Surveying services.

(d) The Engineer and/or Land Surveyor shall not solicit or accept, directly or indirectly, any Engineering and/or Land Surveying contract, selection, or employment from a governmental body in which a principal or officer of his organization serves as a member or employee.

(e) When in public service as a member or employee of a governmental body, the Engineer and/or Land Surveyor shall not participate, directly or indirectly, in considerations or actions with respect to retaining services offered or provided by him, his associates or his organization to such governmental body.
330-X-14-.03 Qualified by Education and Experience. (Canon II) The Engineer and/or Land Surveyor shall act competently and use proper care in performing engineering and/or land surveying services for clients or employers and shall act only in fields in which he is qualified by education and experience as follows:

(a) The Engineer and/or Land Surveyor shall not accept any Engineering and/or Land Surveying employment, or undertake any Engineering and/or Land Surveying assignment, for which he is not qualified by education or experience to perform or to carry out adequately and competently; providing and excepting, however, that an Engineer and/or Land Surveyor may accept an assignment requiring education and experience outside his field of competence to the extent, only, that his personal Engineering and/or Land Surveying services are restricted solely to those phases of the service or project in which he is qualified and competent, and that all other phases of such service or project shall be performed by legally qualified consultants, associates or employees.

(b) The Engineer and/or Land Surveyor shall not affix his signature or seal to any Engineering and/or Land Surveying plan or document dealing with subject matter on which he is not qualified by education or experience to form a dependable judgment.

(c) The Engineer and/or Land Surveyor shall be completely objective and truthful in all professional reports, statements or testimony. He shall include all relevant and pertinent information in such reports, statements or testimony.

(d) The Engineer and/or Land Surveyor, when serving as an expert or technical witness before any court, commission or other tribunal, shall express an opinion only when it is founded upon adequate knowledge of the facts in issue, upon a background of technical competence in the subject matter, and upon honest conviction of the accuracy and propriety of his testimony.

(e) The Engineer and/or Land Surveyor shall issue no statements, or criticisms or arguments on matters connected with public policy which are inspired or paid for by an interested party, or parties, unless he has prefaced his comments by explicitly identifying himself, by disclosing the identities of the party, or parties, on whose behalf he is speaking, and by revealing the existence of any pecuniary interest he may have in the instant matter.

(f) The Engineer and/or Land Surveyor shall not engage in any professional matter for which a specific license is required without first being licensed in that profession.

Effective date: September 10, 1982

330-X-14-.04 Confidences of Clients and Employers. (Canon III) The Engineer and/or Land Surveyor shall safeguard and preserve the confidences and private information of clients and employers as follows:

(a) Except as permitted by 330-X-14-.04(b), the Engineer and/or Land Surveyor shall not knowingly:
1. Reveal a confidence or private information regarding or in the possession of his client or employer;
2. Use a confidence or private information regarding or in the possession of his client or employer to the disadvantage of such client or employer;
3. Use a confidence or private information regarding or in the possession of his client or employer for the advantage of a third person, unless the client or employer consents after full disclosure;
4. Nothing in this Article shall relieve an Engineer and/or Land Surveyor from complying with Rule 330-X-14-.03(e).

(b) The Engineer and/or Land Surveyor may reveal confidences or private information under the following circumstances:
1. When he has obtained the consent of the client or clients, employer or employers, affected, but only after full disclosure to them;
2. When required by law or court order;
3. When necessary to establish legal proof of his relationship with a client or employer in a court action to recover salaries, fees or other compensation due him as a result of his employment or association with such client or employer;
4. When necessary to defend himself or his employees or associates in a legal action alleging wrongful conduct.

(c) The Engineer and/or Land Surveyor shall exercise reasonable care to prevent unauthorized disclosure or use by his employees and associates of private information or confidences regarding or in the possession of a client or employer.
Effective date: September 10, 1982

330-X-14-.05 Practice. (Canon IV) The Engineer and/or Land Surveyor shall endeavor to build his practice and professional reputation on the merit of his services as follows:

(a) The Engineer and/or Land Surveyor shall not offer, or promise to pay or deliver, directly or indirectly, any commission, political contribution, gift, favor, gratuity, benefit or reward as an inducement to secure any specific Professional Engineering and/or Land Surveying work or assignment; providing and excepting, however, that an Engineer and/or Land Surveyor may pay a duly licensed employment agency its fee or commission for securing Engineering and/or Land Surveying employment in a salaried position.

(b) The Engineer and/or Land Surveyor shall not solicit professional employment by self-laudatory advertising, or in any manner contrary to high professional standards.

(c) The Engineer and/or Land Surveyor shall not make, publish or cause to be made or published, any representation or statement concerning his professional qualifications or those of his partners, associates, firm or organization which is in any way misleading, or tends to mislead the recipient thereof, or the public, concerning his Engineering and/or Land Surveying education, experience, specializations or other Engineering and/or Land Surveying qualifications.

(d) The Engineer and/or Land Surveyor shall not attempt to compete with another Engineer and/or Land Surveyor for employment by reducing his usual charges or by the use of unethical practices.

(e) The Engineer and/or Land Surveyor shall not supplant, nor attempt to supplant, directly or indirectly, another Engineer and/or Land Surveyor in a particular engagement, after definite steps have been taken toward such other Engineer's and/or Land Surveyor's employment.

Effective date: September 10, 1982

330-X-14-.06 Ethics. (Canon V) The Engineer and/or Land Surveyor shall contribute to the maintenance, integrity, independence and competency of the engineering and/or land surveying profession as follows:

(a) The Engineer and/or Land Surveyor shall not:
1. Violate any provision of the Alabama Law regulating practice of Engineering and Land Surveying;
2. Participate, directly or indirectly, in any plan, scheme or arrangement attempting or having as its purpose the evasion of any provision of the Alabama Law regulating practice of Engineering and Land Surveying;
3. Fail to exercise reasonable care or diligence to prevent his partners, associates, and employees from engaging in conduct which if done by him, would violate any provision of the Alabama law regulating practice of Engineering and Land Surveying;
4. Engage in any illegal conduct involving moral turpitude;
5. Engage in any conduct that discredits or tends to discredit the profession of Engineering and/or Land Surveying;
6. Permit or allow himself, his professional identification, seal, firm, or business name, or his services to be used or made use of, directly or indirectly, or in any manner whatsoever, so as to make possible or create the opportunity for the unauthorized practice of Engineering and/or Land Surveying by any person, firm or corporation in this State;
7. Perform any acts, allow omissions or make any assertions or representations which are fraudulent, deceitful, or misleading, or which in any manner whatsoever tend to create a misleading impression;
8. Knowingly associate with or permit or allow the use of his name, firm name or professional identification or seal in any business venture, project or enterprise which he knows or has reason to believe is engaged in professional practices which violate any provision of the Alabama law regulating practice of Engineering and Land Surveying;
9. Knowingly associate with or permit the use of his name, professional identification, seal, firm or business name in connection with any venture or enterprise which he knows, or has reason to believe, is engaging in trade, business or professional practice of a fraudulent, deceitful or dishonest nature;
10. Injure or attempt to injure or damage the professional reputation of another by any means whatsoever; provided and except, however, that this shall not relieve an Engineer and/or Land Surveyor of the obligation to expose unethical or illegal conduct to the proper authorities or preclude a frank but private appraisal of Engineers and/or Land Surveyors or other persons or firms considered for employment;
11. Aid or abet, directly or indirectly, any unregistered person in connection with the unauthorized practice of Engineering and/or Land Surveying; or any firm or corporation in the practice of Engineering and/or Land Surveying unless carried on in accordance with the provisions of section 34-11-9 of the Alabama law regulating practice of Engineering and Land Surveying;

12. Review the work of another Engineer and/or Land Surveyor, except with the knowledge or consent of such Engineer and/or Land Surveyor, unless the connection of such Engineer and/or Land Surveyor with the work has been terminated.

(b) The Engineer and/or Land Surveyor shall be personally and professionally responsible and accountable for the care, custody, control and use of his Engineer's and/or Land Surveyor's seal, his professional signature and identification. The Engineer and/or Land Surveyor whose seal has been lost, misplaced or stolen shall, upon discovery of its loss, report same immediately to the Board, which may invalidate the stolen registration number of said seal, if it deems this necessary, and issue another registration number to said Engineer and/or Land Surveyor.

(c) When in public service as a member or employee of any governmental body, agency or department, the Engineer and/or Land Surveyor shall not participate, directly or indirectly, use or make use of any property, facility or service of such governmental body, agency or department for the benefit of any private business or activity in which such Engineer and/or Land Surveyor also may be engaged, unless prior, proper authority is obtained in writing.

(d) When in private practice or employment the Engineer and/or Land Surveyor shall not, directly or indirectly, use or make use of any property/facility or service of his client or employer for the benefit of said Engineer and/or Land Surveyor, unless prior, proper authority is obtained in writing.

(e) The Engineer and/or Land Surveyor shall not practice or offer to practice Engineering and/or Land Surveying in any governmental jurisdiction in which to do so would be in violation of the laws regulating the practice of Professional Engineering and/or Land Surveying in that jurisdiction.

   Effective date: September 10, 1982

330-X-14-07 Convictions. The revocation, suspension, or denial of a license to practice Engineering and/or Land Surveying in another jurisdiction, for reasons or causes which the Board finds would constitute a violation of the Alabama law regulating practice of Engineering and Land Surveying or any rule, regulation or code promulgated by the Board, shall be sufficient cause for the denial, suspension or revocation of a license to practice Engineering and/or Land Surveying in the State of Alabama.

   Effective date: September 10, 1982

SEVERABILITY

If any of the above provisions of the Rules of Professional Conduct (Code of Ethics) or any part thereof, or any sentence, paragraph, clause, phrase or word thereof is construed by the courts to be invalid for any reason, it is the intention of the Board that the remainder shall continue in full force and effect; that is, it is the intention of the Board that each of the above provisions and/or any portions thereof, are severable.

CHAPTER 330-X-15
COMPLIANCE AND ENFORCEMENT

330-X-15-01 Compliance
330-X-15-02 Enforcement

   (1) Section 34-11-9, Code of Alabama, 1975 provides that a firm, company, partnership or corporation may engage or offer to engage in the practice of professional engineering or land surveying provided, that before engaging in such practice the person or persons connected with such firms, companies, partnerships or corporations, acting in a professional capacity and in responsible charge of the practice of professional engineering or land surveying for such organization, is or are registered as Professional Engineers or Land Surveyors in this State.

   (2) The words "connected with" and "professional capacity" imply a formal relationship between the firm, company, partnership or corporation and the engineer or land surveyor. Any and all agreements to employ, contract with, or to associate an engineer or land surveyor shall be in writing and shall fully set forth all the details relative to the agreement.
