12-120. IT WAS MOVED by Mr. Wilbanks and seconded by Mr. Arkle to change the first year reinstatement fee from \$250 to \$150 plus renewal fee. MOTION WAS DEFEATED 2-5 with Mr. Wilbanks and Mr. Arkle voting in the affirmative.

Conner, PE, who was asking for a Board declaratory ruling on whether engineering faculty engaging in research activities in Alabama universities that are not licensed as a PE in Alabama and not working under the direct supervision of a licensed AL PE are in violation of the Alabama Licensure Law. The Board noted that the Board had previously notified the engineering deans that the offering of engineering services through the university was considered engineering and as such required licensure. It was noted that the term "research" was not specifically contained in the definition of the practice of engineering, but that some of the activities being performed as research is engineering and as such should be done by licensed PE's or under their direct supervision.

12-123. IT WAS MOVED by Mr. Foust and seconded by Dr. Turner to issue a declaratory ruling which contains the conclusions that had been noted during this discussion. MOTION CARRIED UNANIMOUSLY.
